April 13, 2015

Paul Koomar, President of Council, Presiding

Present: Henderson, Koomar, Lee, Lieske, Tadych, Vincent, Mayor Sutherland

Also Present: Finance Director Mahoney, Safety/Service Director Thomas, Property Maintenance Inspector Lyons, Bob Greytak, Consulting Engineer.

President of Council Koomar called the meeting to order at 8:30 p.m. with a roll call and Pledge of Allegiance led by Councilman Paul W. Vincent, Ward 2.

ANNOUNCEMENTS

Mayor Sutherland issued a reminder that the gas aggregation issue is on the May 5, 2015 ballot. The City is currently aggregating for electric power in the City of Bay Village, saving residents about 6% of a portion of their electric bill. This proposal would do the same thing for gas aggregation.

Mr. Koomar noted that NOPEC is paying the cost of this election, which is over $26,000. To have this in place for the winter season is going to be a benefit for residents. If the issue passes the ballot, residents still have the option of opting out of the program. Mr. Tadych noted that the gas savings will not be on the delivery of the gas but on the actual gas itself.

Mayor Sutherland stated that email blasts have been sent to the residents, and information is included in the City newsletter. The Mayor met with the representative of NOPEC who stated that because the City will be striking the price and negotiating in August, if the issue passes on the ballot, it will be at the low peak of the timing, much more favorable than in November.

Mr. Koomar announced that a Town Hall Meeting, Home Improvement Session, will be held Monday, April 20, at 7 p.m. at the Dwyer Memorial Center. Mayor Sutherland added that three speakers will be on hand on April 20 at the Home Improvement Workshop. One is a representative of Cuyahoga County who will talk about the different types of home loan programs that are available in order to get maintenance projects done around homes. A representative of the Cleveland Restoration Society will talk about the Heritage Home Loan Program which is for homes that are 50 years old and older. Chief Building Official John Cheatham will talk about how to get the most value for home improvement expenditures and how to navigate the permit process in Bay Village.

Mr. Koomar stated that there will be Council updates on the various committees at the meeting. A question and answer period will be held for the residents as well.

Councilwoman Lieske announced that on Tuesday, April 14, 2015, she will host her second **Ward 3 Town Hall Meeting** in the Bay Village City Hall Council Chambers at 7 p.m. All residents are invited to meet fellow residents and enjoy home-baked goodies.

PROVIDING FOR THE ISSUANCE AND SALE OF $166,000 OF NOTES, IN ANTICIPATION OF THE ISSUANCE OF BONDS, FOR THE PURPOSE OF PAYING COSTS OF IMPROVING THE CITY'S SANITARY SEWERAGE SYSTEM BY CONSTRUCTING SEWER LINES, AND DECLARING AN EMERGENCY.

WHEREAS, the Director of Finance, as fiscal officer of the City, has certified to this Council that the estimated life or period of usefulness of the improvement described in Section 1 is at least five years, the estimated maximum maturity of the Bonds described in Section 1 is 40 years, and the maximum maturity of the Notes described in Section 3, to be issued in anticipation of the Bonds, is 240 months from their date of issuance;

NOW, THEREFORE, BE IT ORDAINED by the Council of the City of Bay Village, County of Cuyahoga, Ohio, that:

SECTION 1. Authorized Principal Amount and Purpose of Anticipated Bonds. It is necessary to issue bonds of the City in the aggregate principal amount of $166,000 (the Bonds) for the purpose of paying costs of improving the City's sanitary sewerage system by constructing sewer lines, together with all necessary and related appurtenances and any real estate or interests therein required therefor.

SECTION 2. Estimated Bond Terms. The Bonds shall be dated approximately May 1, 2016, shall bear interest at the now estimated rate of 5% per year, payable semiannually until the principal amount is paid, and are estimated to mature in 40 annual principal installments on December 1 of each year that are substantially equal. The first interest payment on the Bonds is estimated to be December 1, 2016, and the first principal payment of the Bonds is estimated to be December 1, 2017.

SECTION 3. Authorized Principal Amount of Notes; Note Terms. It is necessary to issue and this Council determines that notes in the aggregate principal amount of $166,000 (the Notes) shall be issued in anticipation of the issuance of the Bonds. The Notes shall be dated the date of issuance and shall mature one year from the date of issuance; provided that the Director of Finance may, if it is determined to be necessary or advisable to the sale of the Notes, establish a maturity date that is any date up to one year from the date of issuance by setting forth that maturity date in the certificate signed in accordance with Section 6 (the Certificate of Award). The Notes shall bear interest at a rate not to exceed 4% per year (computed on the basis of a 360-day year consisting of 12 30-day months), payable at maturity and until the principal amount is paid or payment is provided for. The rate of interest on the Notes shall be determined by the Director of Finance in the Certificate of Award.

SECTION 4. Payment of Debt Charges; Paying Agent. The debt charges on the Notes shall be payable in Federal Reserve funds of the United States of America and shall be payable, without deduction for services of the City's paying agent, at the designated corporate trust office of The Huntington National Bank, or at the principal corporate trust or other office of a bank or trust company designated by the Director of Finance in the Certificate of Award after determining that the payment at that bank or trust company will not endanger the funds or securities of the City and that proper procedures and safeguards are available for that purpose, or at the office of the Director of Finance if agreed to by the Director of Finance and the Original Purchaser (as defined in Section 6) (the Paying Agent).

SECTION 5. Form and Execution of Notes; Book Entry System. The Notes shall be signed by the Mayor and the Director of Finance, in the name of the City and in their official capacities, provided that one of those signatures may be a facsimile. The Notes shall be issued in the denominations and numbers as requested by the Original Purchaser and approved by the Director of Finance in the Certificate of Award, provided that no Note shall be issued in a denomination less than $100,000. The entire principal amount may be represented by a single note and may be issued as fully registered securities (for which the Director of Finance will serve as note registrar) and in book entry or other uncertificated form in accordance with Section 9.96 and Chapter 133 of the Revised Code if it is determined by the Director of Finance that issuance of fully registered securities in that form will facilitate the sale and delivery of the Notes. The Notes shall not have coupons attached, shall be numbered as determined by the Director of Finance and shall express upon their faces the purpose, in summary terms, for which they are issued and that they are issued pursuant to this Ordinance. As used in this Section and this Ordinance:

"Book entry form" or "book entry system" means a form or system under which (i) the ownership of beneficial interests in the Notes and the principal of, and interest on, the Notes may be transferred only through a book entry, and (ii) a single physical Note certificate is issued by the City and payable only to a Depository or its nominee, with such Notes "immobilized" in the custody of the Depository or its agent for that purpose. The book entry maintained by others than the City is the record that identifies the owners of beneficial interests in the Notes and that principal and interest.

"Depository" means any securities depository that is a clearing agency under federal law operating and maintaining, with its Participants or otherwise, a book entry system to record ownership of beneficial interests in the Notes or the principal of, and interest on, the Notes and to effect transfers of the Notes, in book entry form, and includes and means initially The Depository Trust Company (a limited purpose trust company), New York, New York.

"Participant" means any participant contracting with a Depository under a book entry system and includes security brokers and dealers, banks and trust companies, and clearing corporations.

The Notes may be issued to a Depository for use in a book entry system and, if and as long as a book entry system is utilized, (i) the Notes may be issued in the form of a single Note made payable to the Depository or its nominee and immobilized in the custody of the Depository or its agent for that purpose; (ii) the beneficial owners in book entry form shall have no right to receive

the Notes in the form of physical securities or certificates; (iii) ownership of beneficial interests in book entry form shall be shown by book entry on the system maintained and operated by the Depository and its Participants, and transfers of the ownership of beneficial interests shall be made only by book entry by the Depository and its Participants; and (iv) the Notes as such shall not be transferable or exchangeable, except for transfer to another Depository or to another nominee of a Depository, without further action by the City.

If any Depository determines not to continue to act as a Depository for the Notes for use in a book entry system, the Director of Finance may attempt to establish a securities depository/book entry relationship with another qualified Depository. If the Director of Finance does not or is unable to do so, the Director of Finance, after making provision for notification of the beneficial owners by the then Depository and any other arrangements deemed necessary, shall permit withdrawal of the Notes from the Depository, and shall cause the Notes in bearer or payable to order form to be signed by the officers authorized to sign the Notes and delivered to the assigns of the Depository or its nominee, all at the cost and expense (including any costs of printing), if the event is not the result of City action or inaction, of those persons requesting such issuance.

The Director of Finance is also hereby authorized and directed, to the extent necessary or required, to enter into any agreements determined necessary in connection with the book entry system for the Notes, after determining that the signing thereof will not endanger the funds or securities of the City.

SECTION 6. Award and Sale of the Notes. The Notes shall be sold at not less than par at private sale by the Director of Finance to the original purchaser designated by the Director of Finance in the Certificate of Award (the Original Purchaser) in accordance with law and the provisions of this Ordinance. The Director of Finance shall sign the Certificate of Award referred to in Section 3 evidencing that sale to the Original Purchaser, cause the Notes to be prepared, and have the Notes signed and delivered, together with a true transcript of proceedings with reference to the issuance of the Notes if requested by the Original Purchaser, to the Original Purchaser upon payment of the purchase price. The Mayor, the Director of Finance, the Director of Law, the Clerk of Council and other City officials, as appropriate, are each authorized and directed to sign any transcript certificates, financial statements and other documents and instruments and to take such actions as are necessary or appropriate to consummate the transactions contemplated by this Ordinance. The Director of Finance is authorized, if it is determined to be in the best interest of the City, to combine the issue of Notes with one or more other note issues of the City into a consolidated note issue pursuant to Section 133.30(B) of the Revised Code.

The Director of Finance is authorized to request a rating for the Notes from one or more nationally-recognized rating agencies in connection with the sale and issuance of the Notes. The expenditure of the amounts necessary to secure those rating(s) and to pay the other financing costs (as defined in Section 133.01 of the Revised Code) in connection with the Notes is authorized and approved, and the Director of Finance is authorized to provide for the payment of any such amounts and costs from the proceeds of the Notes to the extent available and otherwise from any other funds lawfully available that are appropriated or shall be appropriated for that purpose.

SECTION 7. Application of Note Proceeds. The proceeds from the sale of the Notes, except any premium and accrued interest, shall be paid into the proper fund or funds and those proceeds are appropriated and shall be used for the purpose for which the Notes are being issued. Any portion of those proceeds representing premium and accrued interest shall be paid into the Bond Retirement Fund.

SECTION 8. Application and Pledge of Bond or Renewal Note Proceeds or Excess Funds. The par value to be received from the sale of the Bonds or of any renewal notes and any excess funds resulting from the issuance of the Notes shall, to the extent necessary, be used to pay the debt charges on the Notes at maturity and are pledged for that purpose.

SECTION 9. Provisions for Tax Levy. During the year or years in which the Notes are outstanding, there shall be levied on all the taxable property in the City, in addition to all other taxes, the same tax that would have been levied if the Bonds had been issued without the prior issuance of the Notes. The tax shall be within the ten-mill limitation imposed by law, shall be and is ordered computed, certified, levied and extended upon the tax duplicate and collected by the same officers, in the same manner, and at the same time that taxes for general purposes for each of those years are certified, levied, extended and collected, and shall be placed before and in preference to all other items and for the full amount thereof. The proceeds of the tax levy shall be placed in the Bond Retirement Fund, which is irrevocably pledged for the payment of the debt charges on the Notes or the Bonds when and as the same fall due. In each year to the extent money from the City's sanitary sewerage system is available for the payment of the debt charges on the Notes and Bonds and is appropriated for that purpose, the amount of the tax shall be reduced by the amount of money so available and appropriated.

SECTION 10. Federal Tax Considerations. The City covenants that it will use, and will restrict the use and investment of, the proceeds of the Notes in such manner and to such extent as may be necessary so that (a) the Notes will not (i) constitute private activity bonds, arbitrage bonds or hedge bonds under Sections 141, 148 or 149 of the Internal Revenue Code of 1986, as amended (the Code) or (ii) be treated other than as bonds to which Section 103 of the Code applies, and (b) the interest thereon will not be treated as a preference item under Section 57 of the Code.

The City further covenants that (a) it will take or cause to be taken such actions that may be required of it for the interest on the Notes to be and remain excluded from gross income for federal income tax purposes, (b) it will not take or authorize to be taken any actions that would adversely affect that exclusion, and (c) it, or persons acting for it, will, among other acts of compliance, (i) apply the proceeds of the Notes to the governmental purposes of the borrowing, (ii) restrict the yield on investment property, (iii) make timely and adequate payments to the federal government, (iv) maintain books and records and make calculations and reports, and (v) refrain from certain uses of those proceeds and, as applicable, of property financed with such proceeds, all in such manner and to the extent necessary to assure such exclusion of that interest under the Code.

The Director of Finance, as the fiscal officer, or any other officer of the City having responsibility for issuance of the Notes is hereby authorized (a) to make or effect any election, selection, designation (including specifically designation of the Notes as "qualified tax-exempt obligations"), choice, consent, approval, or waiver on behalf of the City with respect to the Notes as

the City is permitted or required to make or give under the federal income tax laws, including, without limitation thereto, any of the elections provided for or available under Section 148 of the Code, for the purpose of assuring, enhancing or protecting favorable tax treatment or status of the Notes or interest thereon or assisting compliance with requirements for that purpose, reducing the burden or expense of such compliance, reducing the rebate amount or payments of penalties, or making payments of special amounts in lieu of making computations to determine, or paying, excess earnings as rebate, or obviating those amounts or payments, as determined by that officer, which action shall be in writing and signed by the officer, (b) to take any and all other actions, make or obtain calculations, make payments, and make or give reports, covenants and certifications of and on behalf of the City, as may be appropriate to assure the exclusion of interest from gross income and the intended tax status of the Notes, and (c) to give one or more appropriate certificates of the City, for inclusion in the transcript of proceedings for the Notes, setting forth the reasonable expectations of the City regarding the amount and use of all the proceeds of the Notes, the facts, circumstances and estimates on which they are based, and other facts and circumstances relevant to the tax treatment of the interest on and the tax status of the Notes.

SECTION 11. Certification and Delivery of Ordinance. The Clerk of Council is directed to deliver or cause to be delivered a certified copy of this Ordinance to the Cuyahoga County Fiscal Officer.

SECTION 11. Retention of Bond Counsel. The legal services of Squire Patton Boggs (US) LLP, as bond counsel, be and are hereby retained. The legal services shall be in the nature of legal advice and recommendations as to the documents and the proceedings in connection with the issuance and sale of the Notes and the rendering of the necessary legal opinion upon the delivery of the Notes. In rendering those legal services, as an independent contractor and in an attorney-client relationship, that firm shall not exercise any administrative discretion on behalf of the City in the formulation of public policy, expenditure of public funds, enforcement of laws, rules and regulations of the State, the City or any other political subdivision, or the execution of public trusts. That firm shall be paid just and reasonable compensation for those legal services and shall be reimbursed for the actual out-of-pocket expenses it incurs in rendering those legal services. The Director of Finance is authorized and directed to make appropriate certification as to the availability of funds for those fees and any reimbursement and to issue an appropriate order for their timely payment as written statements are submitted by that firm.

SECTION 12. Satisfaction of Conditions for Note Issuance. This Council determines that all acts and conditions necessary to be done or performed by the City or to have been met precedent to and in the issuing of the Notes in order to make them legal, valid and binding general obligations of the City have been performed and have been met, or will at the time of delivery of the Notes have been performed and have been met, in regular and due form as required by law; that the full faith and credit and general property taxing power (as described in Section 9) of the City are pledged for the timely payment of the debt charges on the Notes; and that no statutory or constitutional limitation of indebtedness or taxation will have been exceeded in the issuance of the Notes.

SECTION 13. Compliance with Open Meeting Requirements. This Council finds and determines that all formal actions of this Council and of any of its committees concerning and

relating to the passage of this Ordinance were taken in open meetings of this Council or committees, and that all deliberations of this Council and of any of its committees that resulted in those formal actions were in meetings open to the public, all in compliance with the law.

SECTION 14. Captions and Headings. The captions and headings in this Ordinance are solely for convenience of reference and in no way define, limit or describe the scope or intent of any Sections, subsections, paragraphs, subparagraphs or clauses hereof. Reference to a Section means a section of this Ordinance unless otherwise indicated.

SECTION 15. Declaration of Emergency; Effective Date. This Ordinance is declared to be an emergency measure necessary for the immediate preservation of the public peace, property, health and safety of the City, and for the further reason that this Ordinance is required to be immediately effective in order to issue and sell the Notes, which is necessary to enable the City to enter into contracts for the improvement which is needed to provide sanitary sewerage facilities for the City's residents and thereby protect their health and welfare; wherefore, this Ordinance shall be in full force and effect immediately upon its passage and approval by the Mayor.

FISCAL OFFICER'S CERTIFICATE

TO THE COUNCIL OF THE CITY OF BAY VILLAGE, OHIO:

As fiscal officer of the City of Bay Village, Ohio, I certify in connection with your proposed issue of $76,000 of notes (the Notes), to be issued in anticipation of the issuance of bonds (the Bonds), for the purpose of paying costs of acquiring a motor vehicle and equipment for use in performing the functions of the City's Police Department, together with all necessary appurtenances thereto (the improvement), that:

1. The estimated life or period of usefulness of the improvement is at least five years.

2. The estimated maximum maturity of the Bonds, calculated in accordance with Section 133.20 of the Revised Code, is seven years. That maximum maturity is based on my calculation of the average number of years of life or period of usefulness of the improvement as measured by the weighted average of the amounts proposed to be expended for the several classes of the improvement as follows: (i) $33,000 for equipment, 10 years, and $43,000 for motor vehicles, five years; the weighted average is therefore seven years. If notes in anticipation of the Bonds are outstanding later than the last day of December of the fifth year following the year of issuance of the original issue of notes, the period in excess of those five years shall be deducted from that maximum maturity of the Bonds.

3. The maximum maturity of the Notes is 12 years from their date of issuance.
