# CUYAHOGA COUNTY BOARD OF HEALTH

YOUR TRUSTED SOURCE FOR PUBLIC HEALTH INFORMATION

October 7, 2015

Mayor Deborah L. Sutherland  
City of Bay Village  
350 Dover Center Rd  
Bay Village, OH 44140

Dear Mayor Sutherland:

Enclosed please find the 2016 contract for public health services provided by the Cuyahoga County Board of Health (CCBH). I've also enclosed our annual statistical report for services provided to your community. This report includes a list of all our programs and services offered to citizens in our health district, some of which may require income qualification.

Chapter 3709 of the Ohio Revised Code stipulates that each city in the State of Ohio "...must provide health services either through a city health district or by a valid contract or union with the county health district or an adjacent city health district." The Director of the Ohio Department of Health certifies this provision of health services annually. To remain certified, the contract needs to be approved by your council and returned to the Cuyahoga County Board of Health by December 31, 2015.

The Board of Health bases our public health service contracts on a per capita population rate. **Our per capita rate was \$3.92 in 2014 and 2015, and will remain the same at \$3.92 in 2016.** This contract represents your total cost for public health services and stands among the lowest rates in the State of Ohio.

As a demonstration of our continued diversification of our funding streams to meet the public health needs of the community while controlling costs to the cities, villages and townships we serve, approximately half of our budget is now supported by federal, state and local grants and contracts. These additional funding sources substantially increase the scope of our services to the citizens of your community and keep your direct costs down. With the slow economic recovery, we have seen an increase in requests for our public health services among citizens throughout Cuyahoga County, and we're committed to meet their needs.

The Cuyahoga County Board of Health works with our contract communities on a wide range of public health issues that impact your citizens. Chief among these issues is the prevention and control of chronic diseases like asthma, diabetes, cancer and heart disease, which account for 75% of all healthcare costs. We have also been a convener of a countywide taskforce that is working to address the significant rise in the misuse of opiate prescription drugs and the corresponding and alarming rise in deaths

5550 Venture Drive ♦ Parma, Ohio 44130

Direct: 216-201-2000 ♦ Fax: 216-676-1311 ♦ TTY: 216-676-1313 ♦ [www.ccbh.net](http://www.ccbh.net)

Terrence M. Allan, R.S., M.P.H. Health Commissioner

in young adults also associated with heroin in Cuyahoga County (<http://opiatecollaborative.cuyahogacounty.us>).

We released both a community health status assessment for Cuyahoga County ([http://ccbh.info/hipcuyahoga/?page\\_id=1175](http://ccbh.info/hipcuyahoga/?page_id=1175)) and a Community Health Improvement Plan ([www.hipcuyahoga.org](http://www.hipcuyahoga.org)) and seek to engage the community in addressing our priority health problems.

Our work also focuses on a range of existing and emerging public health issues including school age childhood vaccinations and boosters; influenza and pneumonia vaccinations; responding to and mitigating the proliferation of bed bug-related complaints in residential, business and institutional settings. On the clinical front, we provide safety net services for underinsured and uninsured clients as these roles are evolving in the context of the Affordable Care Act (ACA).

As we know, infectious diseases do not recognize borders, as evidenced by our community response to the threat of Ebola in Northeast Ohio. Our comprehensive efforts included educating the public on Ebola and how it is transmitted; tracking those who may have come in contact with someone exposed to Ebola for symptoms; working with hospitals, emergency medical services on a range of transport and care issues; and continued monitoring of travelers coming to our community from countries with Ebola outbreaks. To date, there have been no cases of Ebola transmitted anywhere in Ohio and we believe our risk is very low. As travelers will continue to come to Ohio from West Africa, we are standardizing our response plans for the long term.

Currently, our new five year Strategic Plan is under development for release to the community this winter. As always, we remain focused on delivering high quality public health services to your community.

Please contact me if you have any questions concerning the 2016 contract, or if you would like us to come to your city and present our contract to your administration or council.

Sincerely,

Terrence M. Allan, RS, MPH  
Health Commissioner

5550 Venture Drive ♦ Parma, Ohio 44130

Direct: 216-201-2000 ♦ Fax: 216-676-1311 ♦ TTY: 216-676-1313 ♦ [www.ccbh.net](http://www.ccbh.net)

Terrence M. Allan, R.S., M.P.H. Health Commissioner

# Cuyahoga County Board of Health (CCBH)

Semi-Annual Statistical Report  
January 1, 2015 through June 30, 2015

## City of Bay Village

### Community and Family Services

#### IMMUNIZATION CLINICS

Immunizations and TB testing are given at CCBH clinics and other sites (i.e. senior centers, businesses) throughout the county.

Program.Inquiries.and Responses.(in hours)* . . . . .	20
Child.and Adult Immunizations. . . . .	23
TB Testing & Reading . . . . .	2
Travel.Clinic.Consultations. . . . .	10
Travel.Clinic.Immunizations.(Clients). . . . .	3

#### NEWBORN HOME VISITING: WELCOME HOME

Mothers that are 200% or greater of the Federal Poverty Level are eligible to receive home visits from a public health nurse. The nurse will discuss basic newborn care, home safety, parenting, feeding, and concerns of the parent(s). Additionally, the visit will consist of an assessment of the baby, and will provide the parent(s) with resources and make referrals to community agencies as needed.

Program.Inquiries.and Responses.(in hours)* . . . . .	11
---	----

LEAD POISONING PREVENTION

Public health nurses provide lead screening, education, and case management. Public health sanitarians perform investigations in response to reports of elevated blood lead levels in children to identify potential sources of lead exposure. Lead risk assessments, housing remediation, and clearance testing are conducted as part of collaboration with the Cuyahoga County Department of Development and our municipalities.

Program Inquiries and Responses (in hours)\* . . . . .12

BUREAU FOR CHILDREN WITH MEDICAL HANDICAPS (BCMh)

BCMh is a tax-supported program of the Ohio Department of Health that helps children with special health care needs and their families. The program assists families in obtaining services to diagnose a possible medical condition (the Diagnostic Program) and assists with ongoing services for children with a diagnosed qualifying medical condition (the Treatment Program).

Program Inquiries and Responses (in hours)\* . . . . .20

Visits . . . . .1

Case Management . . . . .82

BREAST AND CERVICAL CANCER PREVENTION PROGRAM (BCCP)

This program forms area partnerships with the goal of reducing the mortality of breast and cervical cancer. The program includes screening, case management, tracking, and follow-up as well as public education.

Program Inquiries and Responses (in hours)\* . . . . .32

DENTAL O.P.T.I.O.N.S.

This program links patients with participating dentists or dental clinics where low-income patients can receive care at reduced fees or free of charge.

Program Inquiries and Responses (in hours)\* . . . . .3

HEALTHY HOMES PROGRAM

This program investigates the relationship between housing conditions and the respiratory health of occupants living in at risk housing. Public health sanitarians conduct healthy homes investigations in homes of, infants at risk for pulmonary hemorrhage, children with chronic respiratory disease (including asthma), as well as in the homes of senior citizens.

Program.Inquiries.and Responses.(in hours)\* . . . . .1

INDOOR AIR QUALITY

The Indoor Air Quality (IAQ) Program involves the investigation and testing of residences, schools and other public buildings for various indoor air quality indicators on a complaint basis.

Program.Inquiries.and Responses.(in hours)\* . . . . .1

COMMUNITY NUTRITION

CCBH Registered, Licensed Dietitians receive requests for nutrition information and services from organizations and the general public independent of their grant or contractual programs. Services provided include: menu/diet analysis; jail menu analysis and development; formula assistance; group and individual education/training.

Program.Inquiries.and Responses.(in hours)\* . . . . .2

FAMILY PLANNING SERVICES

The Family Planning program provides preventive health care services such as education and counseling; screening for sexually transmitted infections (STIs) and HIV; pregnancy diagnosis and counseling; contraceptive methods and/or prescriptions for contraceptive supplies, when applicable; other medications; and basic infertility services. Services are available to adolescents, women and men of reproductive age and offered at the CCBH Parma clinic.

Program.Inquiries.and Responses.(in hours)\* . . . . .14

HIV/STD.Counseling . . . . .1

RYAN WHITE PART A GRANT

This program provides HIV-related services to those living with HIV who do not have sufficient health care coverage or financial resources for coping with HIV disease. Program goals include reducing new HIV infections, increasing access to care and improving health outcomes for people living with HIV, and reducing HIV-related health disparities and health inequities. Program services include core medical as well as support services.

Program Inquiries and Responses (in hours)\* . . . . .60

**Community Assessments**

REPORTABLE DISEASE SURVEILLANCE/PUBLIC HEALTH INFRASTRUCTURE GRANT

The Public Health Emergency Preparedness Grant (PHEP) encompasses reportable disease and surveillance activities. The purpose of this program is to increase public health response and capacity regarding infectious disease and other illness clusters, acts of bioterrorism and other major public health events. Activities also include developing emergency plans and supporting the County Emergency Operations Plan by serving as the lead agency under Emergency Support Function (ESF) #8. This program is also supported by the Cities Readiness Initiative (CRI) grant.

Program Inquiries and Responses (in hours)\* . . . . .107

Illness Investigations/Disease Surveillance . . . . .12

IMMUNIZATION ACTION PLAN (IAP)

The program goal is to increase the number of fully immunized children under age three. It assesses immunization status in defined geographic areas to identify pockets of low immunization. It provides immunization education to physicians and their staff. Additionally, it helps assure that vaccines are widely available and affordable.

Program Inquiries and Responses (in hours)\* . . . . .20

Case Management . . . . .2

CHILDREN AND FAMILY HEALTH SERVICES (CFHS)

This program is designed as an organized community effort to improve the health status of women and children in Cuyahoga County, including assessment and monitoring of maternal and child health indicators at the individual community or neighborhood level. The program also provides funding to partner agencies to address child and adolescent health needs, as well as the needs of pregnant women and teens at risk for poor birth outcomes.

Program.Inquiries.and Responses.(in hours)\* . . . . .26

CHILD FATALITY REVIEW

This program reviews circumstances surrounding the deaths of children in efforts to make recommendations for actions to reduce preventable children deaths.

Program.Inquiries.and Responses.(in hours)\* . . . . .23

TOBACCO USE / EXPOSURE REDUCTION

This program focuses on reducing the impact that tobacco use/exposure has on the health of county residents. Initiatives currently include encouragement and development of comprehensive tobacco-free school and worksite policies, activities to counter the influence of the tobacco industry, and the enforcement of the Ohio Smoke Free Workplace Law.

Program.Inquiries.and Responses.(in hours)\* . . . . .1

RABIES

The primary objective of the Rabies Control and Prevention Program is to monitor the incidence of rabies in domestic and wild animal populations. To achieve this objective, the Board of Health collaborates with the Cuyahoga County Animal Warden’s Society, the Animal Protective League, the Ohio Department of Natural Resources Division of Wildlife, the Ohio Department of Health, and local veterinarians to discuss and assist in the surveillance of rabies in animal populations.

Program.Inquiries.and Responses.(in hours)\* . . . . .19

Inspections, Reinspections and.Complaints . . . . .16

Sampling Analysis .....1

MOSQUITO CONTROL

This program utilizes an integrated pest management approach to reduce the potential spread of disease via mosquito populations and other vectors in Cuyahoga County. This approach combines the activities of surveillance, chemical control and public education.

Program Inquiries and Responses (in hours)\* .....8  
Inspections, Reinspections and Complaints .....1  
Surveys .....1  
Treatment .....3

ADVANCING HEALTH IMPACT ASSESSMENT (HIA)

To advance HIA in Greater Cleveland, the Advancing Health Impact Assessment (HIA) program will build capacity by 1) training and education; 2) putting HIA into practice; and 3) establishing strong collaboration and coordination efforts. Through this advancement, there will be two pilot HIA projects completed in Greater Cleveland, technical support by Human Impact Partners, support of a mutli-sector HIA team, networks to engage the community and a foundational infrastructure for the utilization of HIA as a tool for integrating health and equality considerations into decision making in Greater Cleveland.

Program Inquiries and Responses (in hours)\* .....2

FARM TO SCHOOL

Farm to School works to build sustainable relationships between growers and school districts/childcare centers in order to improve access to healthy, locally-grown foods and to strengthen the regional food economy.

Program Inquiries and Responses (in hours)\* .....2

**Health Education Programs**

PERSONAL RESPONSIBILITY EDUCATION PROGRAM

The PREP (Personal Responsibility Education Program) for Foster Care and Adjudicated Youth Grant aims to reduce teen pregnancy and sexually transmitted infection rates for youth who are currently in foster care or the juvenile justice systems by educating the direct-care staff in those systems to become trainers in evidence-based pregnancy prevention programming. This train-the-trainer model seeks to enhance professional development at the local level for direct care staff while providing sustainability for pregnancy prevention and life skills education for youth in the target systems. The PREP Grant is a five year initiative serving the following five counties of Northeast Ohio: Ashtabula, Lake, Geauga, Cuyahoga and Lorain.

Program.Inquiries.and Responses.(in hours)\* . . . . .12

HEALTH IMPROVEMENT PARTNERSHIP - CUYAHOGA

Health improvement Partnership - Cuyahoga is a collaborative, county-wide planning process focused on developing a community health improvement plan that will serve as a guide for improving the health status and quality of life for all people who live, work, learn and play in Cuyahoga County.

Program.Inquiries.and Responses.(in hours)\* . . . . .13

UNUSED PRESCRIPTION MEDICATION AWARENESS INITIATIVE

Rates of unintentional fatal poisoning due to prescription medications have risen over 250% since 1999. The unused prescription medication awareness initiative is a collaborative approach to educating the public on the factors contributing to this new epidemic and informing the public on the proper ways to dispose of unused medications.

Program.Inquiries.and Responses.(in hours)\* . . . . .13

## Schools

The CCBH contracts with public and private schools, providing comprehensive school nurse services that are designed to allow maximum flexibility to meet the specific needs of the school system. These services include health screenings; disease prevention; health educational offerings; review of immunization records; first aid and illness assessment; and case management of children with special health care needs. Additionally, the Division of Environmental Health conducts comprehensive environmental health and safety inspections and services in more than 300 school facilities within our jurisdiction. These inspections are conducted on a semi-annual basis and integrate traditional building and classroom sanitation and safety inspections along with emerging issues of chemical laboratory safety, indoor air quality, integrated pest management, playground safety, chemical storage, and vocational safety.

### ENVIRONMENTAL HEALTH/SAFETY ASSESSMENTS

Inspections, Reinspections and Complaints . . . . .5

### OTHER ACTIVITIES

Program Inquiries and Responses (in hours)\* . . . . .3

## Child Care

Public health nurses and dietitians provide technical assistance to child care providers in order to better serve children with special health care needs. Services include health screening and assessment, health education and service coordination. Additionally, the Division of Environmental Health is collaborating with the Ohio Department of Education to administer the licensing and inspection of preschool and school-age child care programs including Head Start agencies, County Boards of Mental Retardation and Developmental Disabilities, and chartered non-public schools within our jurisdiction.

### OTHER ACTIVITIES

Program Inquiries and Responses (in hours)\* . . . . .6

## Environmental Health and Safety

FOOD SAFETY

The Food Safety programs are an integration of food safety education, inspections, consultations, disease prevention, surveillance, and training. The emerging disease events across the nation have also led to an increased response to food recalls and numerous consumer food safety education sessions in grocery stores and various public events.

Program Inquiries and Responses (in hours)\* .....261

Inspections, Reinspections and Complaints .....71

Plans Reviewed (and corresponding activities) .....1

Food Recalls .....1

Health Education .....19

DRINKING WATER QUALITY

The Private Water Systems Program responsibilities include the inspection, sampling and monitoring of wells, cisterns, ponds, springs, hauled water storage tanks, and water haulers within our jurisdiction.

Program Inquiries and Responses (in hours)\* .....1

SURFACE WATER QUALITY - RESIDENTIAL

The Household Sewage Disposal Program responsibilities include the operation/ maintenance inspections, new installations, system abandonment, new lot-split and subdivision reviews, registration of septage haulers, installers and service providers, stream monitoring, inter-agency collaboration, and education.

Program Inquiries and Responses (in hours)\* .....35

Inspections, Reinspections and Complaints .....1

SURFACE WATER QUALITY - SEMIPUBLIC

The Semi-Public Sewage Disposal Program administers the operation and maintenance inspection program under a contractual arrangement with the Ohio EPA for all sewage treatment facilities generating less than 25,000 gallons of effluent per day.

Program Inquiries and Responses (in hours)\* .....1

Inspections, Reinspections and Complaints .....3

SURFACE WATER QUALITY - STORM WATER

The Storm Water Program responsibilities include providing communities assistance in meeting their requirements under the Phase II Program. This includes inventory of designated storm sewer outfall locations, dry weather inspections of outfall locations, sampling of dry weather flows, illicit discharge detection and source tracking for the elimination of the illicit discharge, public educational outreach and good housekeeping programs for community employees.

Program Inquiries and Responses (in hours)\* .....17

Sampling Analysis .....17

Surveys .....6

WATERSHED PROGRAM

The CCBH’s watershed programs protect public health and our water quality resources from the impacts of point source and non-point source pollution. These programs emphasize the utilization of watershed-based planning within CCBH, as well as collaborative efforts with partnering agencies. The watershed protection programs include a variety of activities that assist our communities and our collaborative partners, including water quality programs, educational outreach, and public involvement programs. The CCBH is also involved in a number of watershed activities including the preparation of watershed action plans for various watersheds within our jurisdiction, and a number of watershed grants including US EPA Section 319 grants, Ohio Lake Erie Commission Grants, ODNR Coastal Management Assistance Grants, and the Ohio Environmental Education Fund Grants.

Program Inquiries and Responses (in hours)\* ..... 4

SOLID WASTE MANAGEMENT

The Solid Waste Program inspects solid waste facilities to assure compliance with 3745-27 of the Ohio Administrative Code. These facilities include landfills, transfer stations, construction/demolition disposal sites, infectious waste treatment facilities, compost facilities, construction and demolition debris facilities, scrap tires, open dumping, and industrial/hazardous waste monitoring.

Program Inquiries and Responses (in hours)\* . . . . .1

RECREATIONAL FACILITIES

The program responsibilities include comprehensive inspections and monitoring of public swimming pools and spas, and public and private bathing beaches. Frequent water sample analysis is conducted at bathing beaches from Memorial Day through Labor Day for the determination of bacterial levels and potential public health risks. In addition, near-real-time, same-day, water quality data is being obtained through innovative technology known as the Nowcast system for predicting beach advisories at Huntington Beach in Bay Village. A significant emphasis is placed upon public education and outreach of bathing beach water quality data.

Program Inquiries and Responses (in hours)\* . . . . .290

Inspections, Reinspections and Complaints . . . . .8

Sampling Analysis . . . . .66

HOUSING/NUISANCES

The Nuisance Abatement Program involves close collaboration with community officials to evaluate and correct common public health nuisance conditions such as unsanitary living conditions, garbage, trash, and insects.

Program Inquiries and Responses (in hours)\* . . . . .1

CORRECTION FACILITIES/INSTITUTIONS

Registered Sanitarians provide inspections of jails and other public institutions upon request from municipalities.

Program Inquiries and Responses (in hours)\* . . . . .2

Inspections, Reinspections and Complaints . . . . .1

TATTOO/BODY PIERCING FACILITIES

Recent State of Ohio legislation requires local health departments to inspect tattoo and body piercing facilities for health, safety, and sanitation.

Program Inquiries and Responses (in hours)\* . . . . .1

BUILT AND NATURAL ENVIRONMENTS

The program responsibilities include a variety of non-traditional areas such as land use policy, brownfield sites, and health monitoring.

Program Inquiries and Responses (in hours)\* . . . . .3

**Organizational Support Services**

This section summarizes activities that support the Board of Health infrastructure to assure that high quality public health services are delivered throughout Cuyahoga County. Examples of these activities include grants, contracts and other related fiscal support, legal services, human resources, strategic planning and performance goal development and monitoring and customer services.

**CONTRACT FOR PUBLIC HEALTH SERVICES**  
(City with a General Health District - Authority--Sec.3709.08 O.R.C.)

WHEREAS, the District Advisory Council of the Cuyahoga County, Ohio, General Health District, at a meeting held March 9, 2015, by a majority vote of members representing the townships and villages did vote affirmatively on the question of providing public health services to the **City of Bay Village**, Ohio, and did authorize the Chairman of the District Advisory Council to enter into a contract with the Mayor of **Bay Village**, Ohio, for providing public health services therein; and

WHEREAS, the Council of the **City of Bay Village**, at a Council meeting held \_\_\_\_\_, by majority vote of all members did vote affirmatively on the question of contracting with the District Advisory Council of the Cuyahoga County General Health District for providing public health services to the **City of Bay Village** and did authorize the Mayor to enter into a contract with the Chairman of the District Advisory Council of the Cuyahoga County General Health District to provide public health services.

NOW, THEREFORE, pursuant to such authority, David Smith on behalf of the District Advisory Council of the Cuyahoga County General Health District and Deborah L. Sutherland on behalf of the **City of Bay Village** do agree as follows:

The General Health District of Cuyahoga County, Ohio, hereby agrees to provide health services for the **City of Bay Village** for the year 2016. These health services will be provided by the District Board of Health of Cuyahoga County and will include all necessary medical, nursing, sanitary, laboratory and such other health services as are required by the Statutes of the State of Ohio. Air pollution enforcement services, as described in Chapter 3704 of the Ohio Revised Code, will be conducted through the designated agent, the Cleveland Division of Air Pollution Control. This authorization is contingent upon renewal of the contract between the Ohio EPA and the City of Cleveland and satisfactory performance of the contract terms and conditions regarding air pollution control in Cuyahoga County. The Board of Health reserves the right to alter, modify or amend this contract provision with notice to the City.

The **City of Bay Village** hereby agrees, in return for the health services which will be provided by the District Board of Health of Cuyahoga County for the year 2016, to pay to the Cuyahoga County General Health District the sum of Sixty One Thousand Three Hundred Fifty Two Dollars (\$61,352.00). This sum of Sixty One Thousand Three Hundred Fifty Two Dollars (\$61,352.00) the **City of Bay Village** hereby directs the Fiscal Officer of Cuyahoga County to place to the credit of the District Health Fund of Cuyahoga County, and the Fiscal Office of Cuyahoga County is hereby authorized to deduct said sum of Sixty One Thousand Three Hundred Fifty Two Dollars (\$61,352.00) in equal semi-annual installments of Thirty Thousand Six Hundred Seventy Six Dollars (\$30,676.00) from the regular tax settlement to be made for said city for the year 2016. This contract shall be in full force and effect from January 1, 2016 through December 31, 2016.

This agency is an equal provider of services and an equal employment opportunity employer-Civil Rights Act 1964

AND DECLARING AN EMERGENCY.**

**BE IT ORDAINED** by the Council of the City of Bay Village, Ohio:

**SECTION 1.** That the Mayor be and she is hereby authorized to enter into an agreement with the District Advisory Council of the Cuyahoga County General Health District for providing public health services to the City of Bay Village for and during the calendar year 2016 at a cost to the City of \$61,352.00. This sum the City hereby directs the Fiscal Officer of Cuyahoga County to place to the credit of the District Health Fund of Cuyahoga County, and the Fiscal Officer of Cuyahoga County is hereby authorized to deduct said sum of \$61,352.00 in equal semi-annual installments of \$30,676.00 from the regular tax settlement to be made for said City for the year 2016.

**SECTION 2.** That the Clerk of Council is hereby directed to forward a certified copy of this ordinance to the Cuyahoga County Fiscal Officer.

**SECTION 3.** That this Council finds and determines that all formal actions of this Council concerning and relating to the passage of this ordinance were taken in an open meeting of this Council, and that all deliberations of this Council and of any committee that resulted in those formal actions were in meetings open to the public in compliance with law.

**SECTION 4.** That this ordinance is hereby declared to be an emergency measure immediately necessary for the preservation of the public peace, health, safety and welfare, and for the further reason that it is immediately necessary to provide for public health services effective January 1, 2015, in order to continue an uninterrupted public health program for the City, wherefore this ordinance shall be in full force and take effect immediately upon its passage and approval by the Mayor.
