

On October 27, 1989, 10 year old Amy Mihaljevic was abducted from Bay Village Square Shopping Center in Bay Village, OH. Amy left school at 2:05pm and walked approx. 1/4 mile to the shopping center. The last confirmed sighting of Amy was outside a business at Bay Square between 2:15 and 2:30pm. At the time of abduction, two separate witnesses observed a White Male interacting with Amy at the shopping center. One witness observed this suspect speaking with Amy. The second witness observed the suspect approach Amy and directing her towards the shopping center parking lot. The suspect was described as a White Male, 30 to 40 years of age, 5'7" to 5'10" tall, medium build, dark hair, and possibly wearing glasses.

Investigation indicates Amy received a telephone call some days prior to her abduction from an unknown individual. The caller arranged a meeting with Amy after requesting her assistance in selecting a gift to give to Amy's mother as a reward for a job promotion. Amy's mother worked at "Trading Times Magazine" in Westlake, OH.

On February 8, 1990, Amy's body was discovered in a farm field (20 feet from the road surface) along County Road 1181, in Ruggles Township, Ashland County, Ohio. The body disposal site is approx. 50 miles southwest of Bay Village. County Road 1181 is a straight rural roadway allowing extended visibility in all directions. Amy's body was re-dressed in the same clothing that she was last known to be wearing, except for missing shoes and earrings. The partially skeletonized body exhibited stabbing wounds to the throat and blunt trauma to the rear head area. Amy's body was not covered at the time of discovery and the location of the homicide crime scene is unknown.

Recent case review and subsequent forensic analysis indicates the curtain and blanket depicted in the following photographs may have been utilized by the perpetrator to wrap/transport Amy's body. The curtain and blanket were located in close proximity to each other several hundred yards from Amy's body. The curtain appears to be hand- made, possibly from bedding or bed-covering material. The curtain is 68" long, 27" wide and was originally "avocado green" in color. Photographs of the curtain/blanket are available on the Bay Village Police Department Facebook page.

On June 23, 2016, the curtain and blanket were displayed to various media outlets and the general public. The purpose of this initiative is to solicit public cooperation in an attempt to develop information regarding the origin and/or prior ownership of the curtain/blanket. Positive information should be provided to the Bay Village Police Department by calling (440)-871-1234 or Email, bvpd@cityofbayvillage.com.
