

# #NoOneFightsAlone

We come together as a Bay Community for a common goal ~  
to help to end cancer.

Please join us for a "Light the Night" fundraising event benefiting The Leukemia & Lymphoma Society (LLS) and their funding of research to find blood cancer cures.

We would like to acknowledge the courage and strength of students of Bay Village that are affected by this cancer. Our honorees are Luke (Normandy), Molly (Westerly), Jane (BHS), and Daniel (BHS) who was named a HERO.

You can help this cause in several ways to honor these AMAZING young students.
