

Bay Village Press Release

07/16/2018

On 07/11/2018, at 20:49 hrs, a resident in the 26900 block of Knickerbocker Road called to report a male and female having a verbal argument. The caller stated that at one point the female had been on the hood of the vehicle involved. When officers arrived, they found a 23-year old male from Westlake and a 21-year old female from North Royalton standing next to a silver Audi. They both agreed that there had been some yelling related to their recent break up. The female claimed that her ex-boyfriend had slapped her and bitten her thumb. When he had tried to leave, she had gotten onto the hood of the Audi in order to detain him. Officers could find no evidence of any physical injury. Pictures taken of both sites of the alleged injuries and information for a report to be forwarded to the prosecutor.

On 07/12/2018, at 01:53 hrs, officers were dispatched to the area of Winsor and Bayview for a report of a verbal dispute. The caller stated it was between the occupants of two vehicles last seen heading east on Winsor, towards Bassett. The first arriving officer found a Mercedes stopped in the roadway of Bassett, near Foote. As he positioned his patrol car behind the Mercedes he saw, first the driver and then two passengers, exit the vehicle then begin pushing it into a driveway. Other officers pulled up to assist and as they approached the driver, he took off running. He was eventually located hiding in a brush area behind a home on Applewood. When asked why he ran, the 30-year from Ravenna said it was because he was driving under suspension. He was also found to have warrants from two separate law enforcement agencies. While being processed back at the station for OVI and other charges, the male asked officers numerous times to take off their badges so he could fight them. He was held for video arraignment with Rocky River Municipal Court.

On 07/14/2018, at 00:50 hrs, an officer, suspecting the driver to be impaired, stopped a Subaru on Osborn, just west of Forest Drive. The driver, who stated he was the "DD" (designated driver), failed sobriety tests and was arrested for OVI. The three passengers were released at the scene. The 25-year old male from Cleveland was processed at the station before being released on personal bond to a sober adult. The Bay Village Police Department would like to remind everyone that having a Designated Driver is a great idea, but this person should **abstain** from alcohol, not simply try to limit the intake of alcohol.
