Variance requests are subject to change pending a review by the Building Director. You may call 24 hours in

quorum to do business, but any decision made by the Board on matters before it upon which it is required to pass
under the provisions of the Zoning Code shall require a majority vote of all members appointed to and serving on
the Board. All members voting shall be present at the meeting when such decision is made. If all members are not
present, the applicant may request a delay so that all members may be present. An applicant may delay a decision
up to two times. Subsequently, action may be taken by the Board, regardless of all members being present, as long
as there is a quorum.
