Pedestrian Struck with Serious Injuries

On April 1, 2020 at 9:14pm, the Bay Village Police Department received a call about a pedestrian that had been struck by a vehicle in the area of Aberdeen Avenue and Cahoon Road. Officers arrived and found that the victim male, a 52 year-old Westlake resident, was walking his dog southbound on the sidewalk when a north-bound vehicle struck him and the dog before driving off. Police searched the area but could not find the suspect nor suspect vehicle.

The male was transported by the Bay Village Fire Department to Saint John's Westshore with serious but not life threatening injuries. The male's dog was not seriously injured and was able to make it home. The victim male could not provide a good description of the vehicle.

Bay Village Detectives are investigating. They ask that anyone who has any information to please call the police department at 440-871-1234.
