KATHY LEASURE
CHIEF OF POLICE

Shortly around midnight on 9/8/2020, a resident on Sandalwood Drive called the Bay Village PD to report he had just went into his attached garage and found an unknown African American male going through his garage cabinets and refrigerator. The male subsequently ran from the resident's garage. Bay Village PD Officers immediately responded and located the male driving away from the area. After a short pursuit, the suspect crashed the vehicle in the Cashelmara Condominium Complex property. The male suspect ran from the scene and was located minutes later by BVPD Officers as he was hiding in some bushes. Officers later learned that the vehicle was stolen from Brooklyn, Ohio.

The suspect was identified as Michael Eric Rasberry, a thirty (30) year old from Cleveland. Rasberry is currently in custody at the Bay Village jail and will be facing charges of Aggravated Burglary, Theft, Receiving Stolen Property, Fleeing and Eluding, Vandalism, weapons charges and possible drug charges.
