

**Bay Village
Shoreline Special Improvement District
Pre-Petition Information Form**

The purpose of this pre-petition information form is to gather information that will assist our firm in preparing, on behalf of the City of Bay Village, the documents that will be submitted to the City in order to kick off the Bay Village Shoreline Erosion Control Special Improvement District (“SID”), which will enable private property owners to voluntarily enter into an assessment agreement that will help to fund erosion control projects on their properties. The information gathered through this pre-petition information form will also be used to solicit interest from potential funders for the SID.

1. List the property owner’s or owners’ name(s):

2. List the property owner’s or owners’ best contact information (phone or email):

3. List the street address of the shoreline property:

4. List the permanent parcel number(s) of the property identified in No. 3:

5. Identify the approximate length of shoreline for this property, in linear feet:

6. Provide as complete a description of the erosion control and any related improvements as possible, including lineal footage if different than that identified in No. 5, being sure to identify the nature of the erosion control improvements:

7. Provide an estimate of the total cost of the improvements identified in No. 6:

Please return this form promptly to Kevin M. Butler at kbutler@mcdonaldhopkins.com or to Kevin M. Butler, McDonald Hopkins LLC, 600 Superior Ave. East, Ste. 2100, Cleveland, OH 44114. Thank you.
