

Bay Village Press Release

10/12/2021

On Tuesday October 11 at 3:07pm, Bay Village Police were dispatched to a house in the 27000 block of Wolf Road on report of a suicidal male, possibly with a weapon. Numerous officers responded to the scene and quickly located and secured the male. The male did not have a weapon on his person. The male was transported by the Bay Village Fire Department to a local hospital for evaluation.

Due to the location of the incident, Bay Village Board of Education staff were witness to the situation. Due to the impending school dismissal and proximity of Normandy School, a "stay put" order was issued by the Board of Education. Once the situation was resolved, this order was lifted. Officers and school board employees acted quickly to ensure a safe resolution for all involved.
