

**A community for active adults age 60+/-**  
 who enjoy being active, connecting with others and their community

Due to the anticipated post-holiday rise in Covid-19 cases, many activities for the January BV60+ programming will be paused until the second half of January. Be sure to register on [www.myactivecenter.com](http://www.myactivecenter.com) for any activities you are interested in for

January so that, if that activity is cancelled, you can be contacted.

If you aren't registered, you may not receive notification about cancellation of an activity or event. Register early since most activities/events fill up quickly, may be limited in the number of participants or may be cancelled due to low registration numbers. If you need an ID, email [vsprague@cityofbayvillage.com](mailto:vsprague@cityofbayvillage.com)

### **BV60+ Indoor Pickleball**

Meet us at Avon Lake's Anchor facility every Tuesday, starting on January 18 from 10 AM to noon. The fee is \$25 for ten sessions or \$3 per session if you want to pay weekly. This is a very large gym facility with high ceilings and large propeller fans, which aid in ventilation.

BV60+ Pickleball at the Bay Village Community gym has been discontinued but there are open sessions available. See the Bay Village Recreation Department's website for availability.

### **BV60+ Bowling**

The January 5 bowling session is cancelled due to the anticipated post-holiday Covid-19 surge.

BV60+ Bowling will resume on Wednesday, January 19 at 7 pm at Bay Lanes. \$10 includes two games and shoe rental. Registration is required at [www.myactivecenter.com](http://www.myactivecenter.com) so teams can be set up beforehand. In order to keep ourselves and other participants safe and healthy, masks are strongly suggested by Bay Lanes.
