

## Good Neighbor Program

*Good Neighbors. Better Community. Best World*

Living in Bay Village means living in a community that takes care of one another. Some older residents are in need of additional assistance to stay in their homes as they age. The Bay Village Community Services department is looking for community volunteers to join our Good Neighbor Program to help older residents with small maintenance needs such as:

- Taking out and bringing in trash cans
- Light landscaping and yard care
- Minor outdoor home repair

Our goal is that if an older resident requests assistance, we will be able to call on a neighbor who lives close by to help out. For more information, please contact Emily Goers, Director of Community Services at (440)-899-3904.

### ARE YOU AGE 60+ AND NEED ASSISTANCE WITH HOME MAINTENANCE?

We are recruiting a group of Good Neighbor volunteers, and our goal is to be able to call one of your neighbors who can help you out. For those repairs a volunteer cannot fix, we can connect you with trusted resources to help you get the job done. We can also provide detailed information on small changes you can make in each room of your home to increase safety. To request assistance, please fill out the Assistance Request form on the City's web site at <https://www.cityofbayvillage.com/FormCenter/Community-Services-11/Senior-Home-Assistance-Form-69> or scan the QR code below:
